\$180,000

MAXIMUM
PER YEAR

Next Application Window

November 3 - December 1, 2025

Apply at TechCred.Ohio.Gov • Approval in ~60 days

2 TechCred-Eligible AI Credentials

Foundations in Responsible AI

Applied Generative AI

AI for Business

AI for Leadership

AI for Education

Tool-Specific Training

52 TechCred AI Credentials

3 Credentialing Partner

Responsible Use of Digital Intelligence (RUDI)

TechCred-Eligible Training Provider

1 How It Works (4 Steps)

01

Apply

At TechCred.Ohio.Gov
(Nov 3-Dec 1). RUDI
provides training provider
info.

02

Approval

State reviews applications
and notifies approved
employers (~60 days)

03

Train

Schedule RUDI training
after approval. Complete
within 12 months.

04

Reimburse

Submit docs within 6
weeks. RUDI provides
invoices & certificate.

⚠ CRITICAL: Reimbursement must be submitted within 6 weeks of credential completion. RUDI sends reminders and provides all required documentation immediately.

What Makes RUDI Different

- Focus on responsible use & application
- Less theory, more hands-on practice
- TechCred assistance & deadline reminders
- Flexible delivery options

Real-World Example

School/Nonprofit (15 employees):

Cost: \$1,800/person = \$27,000

TechCred reimburses: \$27,000

Your net cost: \$0
