

High Quality AI Training through RUDI

Responsible Use of Digital Intelligence

Increasing Ohio's workforce familiarity, comfort, and literacy with AI

A FEW OF OUR TRUSTED PARTNERS:

Next Application Window: November 3 - December 1, 2025

Many organizations are struggling to keep pace with AI. Ohio has a solution. Through TechCred, you can receive fully reimbursable AI training. RUDI offers certificates ranging from Level 1 to Level 3, specifically designed for businesses, educators, and nonprofits. We're the right partner for this opportunity, and we're here to help you through the process. Below is an overview of the state funding and how it works.

STATE FUNDING AVAILABLE
