

# High Quality AI Training through RUDI

## Responsible Use of Digital Intelligence

Increasing Ohio's workforce familiarity, comfort, and literacy with AI

### A FEW OF OUR TRUSTED PARTNERS:

"Love this – I learn something NEW every time"

"Thank you for giving me the courage to move forward with AI"

"A much deeper understanding of how AI actually works"

### Next Application Window: November 3 - December 1, 2025

Many organizations are struggling to keep pace with AI. Ohio has a solution. Through TechCred, you can receive fully reimbursable AI training. RUDI offers certificates ranging from Level 1 to Level 3, specifically designed for for-profit businesses, non-profit organizations, schools, and state/local government entities. To maximize this opportunity for Ohio employers, Did You Know Publishing and RUDI are partnering to help bring this state initiative to your organization. See the details below.
